The Honorable Kay Granger, Chairwoman  
House Appropriations Committee

The Honorable Rosa DeLauro, Ranking Member  
House Appropriations Committee

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the 16<sup>th</sup> Street Mission BART Station Elevator Modernization in fiscal year 2024. The entity to receive funding for this project is the San Francisco Bay Area Rapid Transit District, located at 2150 Webster Street, Oakland, CA 94612. The funding would be used to modernize an elevator at the 16<sup>th</sup> Street Mission BART Station which was originally built in 1973. The project is an appropriate use of taxpayer funds because it will increase reliability of the elevator and will be especially beneficial to community members with mobility limitations that rely on the elevator to gain access to the transportation system.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

best regards,

  
NANCY PELOSI
